Dirt & Grease Cleaner for Asphalt

DESCRIPTION

Techniseal® Dirt & Grease Cleaner for Asphalt is specially formulated to remove oil and grease spots before or after the application of a protective sealant for asphalt. It dissolves, dislodges and encapsulates grease for effective cleaning.

APPLICATIONS

- Driveways, commercial parking lots, pedestrian areas, etc.

PROPERTIES

- Dissolves, dislodges and encapsulates grease
- For protected or bare surfaces

DIRECTIONS

BEFORE YOU BEGIN

- Wear adequate protective clothing.
- **ALWAYS TEST** on a small hidden area to ensure that result meets your expectations.

APPLICATION

Cover the stain **generously** with Dirt & Grease Cleaner for Asphalt; scrub immediately with a small nylon scrub brush such as the Techniseal® Stain remover brush; rinse thoroughly.

**Note:** Before applying a protective sealant, apply Techniseal® Oil-Spot Primer for Asphalt [142-761] to cleaned areas.

**IMPORTANT:** It is very difficult to clean a surface softened by oil or gasoline; in such a case, replace damaged asphalt with Techniseal® Acrylic Patching Compound for Asphalt or Asphalt Compound.
