Make sure that you have an up-to-date technical data sheet in hand by consulting our website: techniseal.com
Canada and U.S.A.: dial 1 800 465-7325
Others: dial (514) 523-8324 (Canada)

APPLICATIONS

• Pavers and slabs made of concrete or natural stone
• Driveways, patios, terraces, commercial parking lots, pedestrian areas, etc.

PROPERTIES

• Removes motor oil and grease (barbecue)
• Dissolves, dislodges and encapsulates grease
• Ideal for sealed surfaces and fresh stains*

*For bare surfaces and older, more stubborn stains, use Techniseal® Professional-Grade Oil & Grease Remover.

DESCRIPTION

Techniseal® Dirt & Grease Cleaner for Pavers effectively removes motor-oil and grease stains (barbecue) from concrete pavers. Recommended for sealed surfaces and fresh stains, it dissolves, dislodges and encapsulates grease, thoroughly cleaning without leaving any oily film after rinsing.

DIRECTIONS

BEFORE YOU BEGIN

• Wear rubber gloves and safety goggles. • ALWAYS TEST on a small hidden area to ensure that result meets your expectations.

APPLICATION

On a sealed surface, wet the stain before applying product; on a bare surface, apply dry. Cover the stain generously with Dirt & Grease Cleaner; let work for 2 to 3 minutes; reapply product and scrub with a Techniseal® Brush. Do not let product dry on the surface; rinse thoroughly. Repeat if necessary.
IMPORTANT: An oil spot that has penetrated the material may resurface within 24 hours following cleaning; if this occurs, lighten the stain using Techniseal® Professional-Grade Oil & Grease Remover (141-591).
