Others: dial (514) 523-8324 (Canada)

APPLICATIONS
• Sealed or bare surfaces
• Pavers and slabs made of concrete or natural stone, poured or stamped concrete, masonry, etc.
• Driveways, pool decks, patios, terraces, commercial parking lots, pedestrian areas, etc.

PROPERTIES
• Requires minimum scrubbing
• Effectively removes moss, mildew, dead leaves, wine, blood and non-greasy food stains

DESCRIPTION
Techniseal® Organic Stain Remover is formulated to remove moss and mildew as well as tough stains left by organic matters (dead leaves, blood, wine, non-greasy food, etc.) on concrete pavers, slabs and walls, poured or stamped concrete, etc. Organic Stain Remover works without damaging or discoloring the material. Recommended for bare or sealed surfaces, it can safely remove the toughest stains.

DIRECTIONS
BEFORE YOU BEGIN:
• Wear adequate protective clothing. Will discolor clothing if spilled. • To ensure the results will meet your expectations, ALWAYS TEST the product on a small hidden stain. • Do not mix product with other chemicals. • Consult local authorities regarding the application of such products, waste management and run-offs. • Do not apply under blazing sun. Never let Organic Stain Remover dry on the surface; keep it wet until it is completely rinsed off.
PREPARATION

**WETTING VEGETATION:** To reduce the effect of the product on vegetation, first saturate surrounding grass, shrub and plants with water.

**DILUTION:** **Stain removal:** Into a plastic watering can, dilute between 10 and 20 scoops of Remover in one litre of water. The amount of Remover to be diluted will depend on the stubbornness of the stain.

**Large surface:** Into a plastic watering can, dilute the entire content (700 g) of Remover in 7.5 L of water.

APPLICATION

**Stain removal:** Apply a generous amount of diluted Organic Stain Remover on a stain. Let work 5-10 minutes. Scrub stain using a nylon scrub brush. Rinse thoroughly and let dry. Repeat if necessary.

**Large surface:** Cover surface with diluted Organic Stain Remover. Scrub using a street broom. Rinse thoroughly and let dry. Repeat if necessary.

COVERAGE

700 g of concentrated powder makes up to 7.5 L of solution and cleans up to 18 m² (200 sq. ft.) Coverage will depend on surface condition and dilution.

STORAGE

Store in cool and dry place.
